KOCHI 2019

**December 8<sup>th</sup>  
2019**

# **PEDIATRIC ENDOCRINOLOGY**

**Lulu Bolgatty International Convention Centre  
Kochi, Kerala**

Time : 8:45 am to 2:00 pm

Organised by

**PACE (Professional Association  
of Clinical Endocrinologists)**

Applied For TCMC Credit Points

Greetings from PACE ★

Dear Doctor,

PACE (Professional Association of Clinical Endocrinologists) is an organisation formed in 2013 by Endocrinologists from Kerala. It was formed with the objective of advancing and spreading knowledge in Endocrinology among doctors and public. As part of the objective we organised KENDOCON 2018 last year. That was a huge success with an attendance of 793.

This year we are conducting KENDOCON 2019 at Lulu Bolgatty International Convention Centre on December 8th. This time we are dedicating one hall for Pediatric Endocrinology. We have tried to bring the best brains and speakers in Pediatric Endocrinology to our state to enhance and update our knowledge in this area. Meeting would involve topic presentations, interactive clinical case discussions and meet the expert sessions. A tentative speaker list and topic list are given. We sincerely hope that our effort will help pediatricians and endocrinologists of our state to improve their patient care.

Please block your dates and register for this meeting now itself.

Organising Chairman

**Dr. V. Sasikumar**
